Number 1

Number 2

Number 3

Number 4

# BREAKOUT ROOM QUESTIONS

| No. | Question                                                    | Sample Answer                                                                                                                                                       |
|-----|-------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.  | Can you give examples of polite actions?                    | Yes, of course. For example .....                                                                                                                                   |
| 2.  | What's the best way to respond to someone who's being rude? | It's best to .....                                                                                                                                                  |
| 3.  | Why is being polite important?                              | Because it ... <i>(shows respect to others/makes others feel comfortable/etc.)</i>                                                                                  |
| 4.  | "We have to be polite in all situations"<br>Do you agree?   | Yes, I agree because it... <i>(can avoid conflict / shows good character / etc.)</i><br>No, I disagree because ... <i>( sometimes people take advantage / etc.)</i> |
| 5.  | What makes someone seem rude?                               | In my opinion, someone is rude when ... <i>(interrupting others /not saying 'please' or 'thank you' / swearing / etc.)</i>                                          |
| 6.  | How can we teach children to be polite?                     | We can teach them by .....                                                                                                                                          |

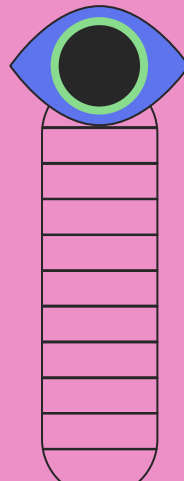

- Greet: Menyapa
- Offer: Menawarkan
- Share: Berbagi
- Thank: Mengucap terima kasih

- Swear: Mengumpat
- Interrupt: menyela

- Humble: Rendah hati
- Rude: Kasar/tidak sopan

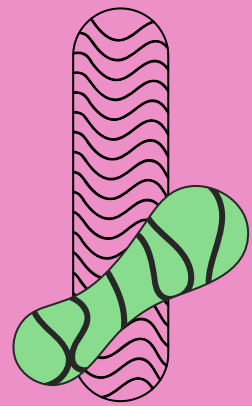

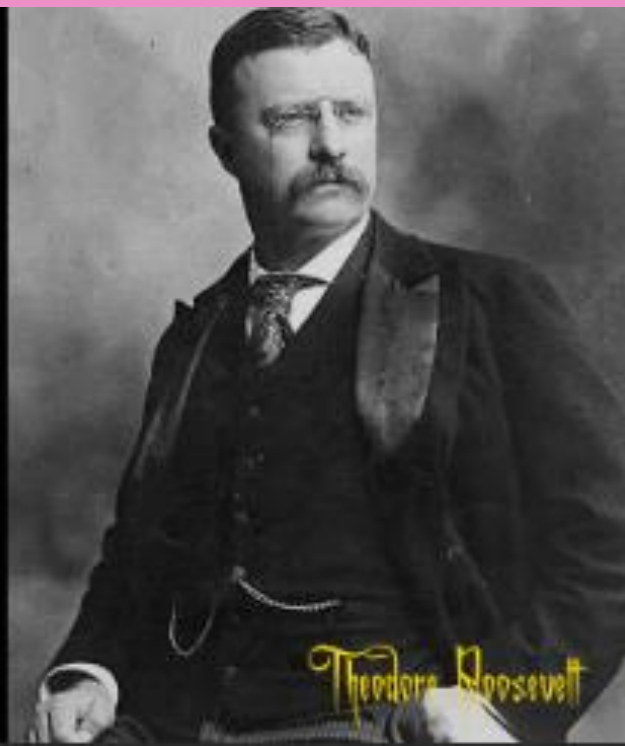

- Tactful: Bijaksana
- Kind: Baik hati

# FEEDBACK NOTE

“

Politeness is a sign of  
dignity, not  
subservience.

A stylized illustration of a traditional Chinese pagoda. The pagoda has multiple tiers, each with a wide, orange, curved roof and a blue body. Small black square windows are visible on the blue sections. The pagoda is tilted slightly to the right. At the base of the pagoda is a thick, yellow, horizontal oval shape. To the right of the pagoda is a bright yellow circle representing the sun. The entire scene is set against a solid blue background.
